

WHY?

"A substantial body of research has now demonstrated that delaying school start times is an effective countermeasure to chronic sleep loss and has a wide range of potential benefits to students with regard to physical and mental health, safety, and academic achievement."

Our mission is to ensure a comprehensive program of academic rigor, scope, and depth to prepare all students to be college and career ready and to value service to others.

Our vision is that every student, every day, is safe, respected, and ensured to achieve excellence in a personalized learning environment that includes quality teaching, small class sizes, and the use of technology.
