

Health Advisory

Wednesday, October 4, 2017

Quashnet School Library

3:15 p.m.

**Attendance:** George Schmidt, Kristin Dwyer, Stacey Schakel, Joyce O'Connor, Gus Stickle, Hope Hanscom

**Minutes from Meeting:**

1) Review of House Bill 2055- an act related to student sun safety.

The following is the wording to be used in the 2018-19 student handbooks, website, newsletters:

***Students are encouraged and allowed to carry and use their own FDA approved over the counter topical sunscreen product while on school property or at a school related event or activity to avoid over exposure to the sun. A physician's note or prescription is not required.***

2) Update on AED's in the district- Reviewed locations of AED, District Policy and Protocol related to AED's, CPR and the AED law effective January 2018.

3) Other: Joyce and Hope spoke about SBIRT- Plan is for this to be implemented in grades 7 & 9 starting in January, 2018.

Approved 1.3.18 as submitted
