ESSAYS

**required information*

*On a separate sheet, please provide us with **two essays**. The first topic is required for **all** applicants.

1. Tell us about a time when you were most excited about an idea, discovery, or other aspect of a learning experience. Please be sure that your response is a **maximum of 250 words**.

*For your second essay, please select **one** of the following topics to respond to with a **maximum of 500 words**.

2A. How do you plan to provide leadership for or serve your Native community after you graduate from college? How can Dartmouth help to provide a path for those aspirations?

2B. Tell us about your interest in Dartmouth's Native community and relate that interest to your involvement in your own tribal/village/home community.

2C. Dartmouth highly values the wide range of perspectives that comprise the collectivity of Native American, Alaska Native & Native Hawaiian experiences, recognizing that self-identified Native people come from all over the country – indeed the world – as well as a variety of backgrounds and circumstances. Tell us more about the connection you share with your heritage.

*Have you ever been found responsible for a disciplinary violation that resulted in temporary suspension or expulsion from school or ever been convicted of a crime?

Yes No

If so, please attach an explanation.

Is there anything else you would like us to know? (OPTIONAL)

**Thank you for your careful completion of this application. Be sure to refer to the CHECKLIST at the beginning of the application to ensure your application is complete.
